Paper #1

After attending the conference, write a 3-4 page paper discussing your conference experience. In the paper:

- Identify the geographical area you studied.
- Indicate the classes you attended and the hours spent in each.
- Write a brief paragraph for each class, giving the main points learned in the class.

Paper #2

On your own, conduct 50 to 60 hours of research on a pedigree problem pertaining to your geographic area. Write a scholastic paper (about 5+ pages) explaining your experience. Your project you should include the following:

- A pedigree chart and family group sheet(s) showing the family with the information you had at the beginning of the project.
- A pedigree chart showing the family on whom you conducted research.
- Family group sheet(s) which include all the information you have found on the family AND notes documenting the sources where you found each event (e.g. birth, marriage, death) or relationship.
- Research log listing ALL the sources you searched during this project (including those in which you found nothing), the order in which you searched them, and the time spent.

Grades

Grades should be processed on a BYU transcript within the first week in January. We will return your papers with a grade on them, but will not send any other grade notification. You may get official grade information or order a BYU transcript by calling the BYU Records Office at (801) 422-2631. You may check you grade on www.byu.edu by going to "Route Y".
